About

What is Navigate Solutions?

Navigate Solutions aims to give business owners alternative and flexible options when seeking out advice and assistance to help grow, scale and optimise their business.

No matter the challenge, the requirements or project, we are here to help while working to your budget, your capacity and allowing you to be as hands-on or as hands-off as you would like!

The Creator of Navigate Solutions

Amber Shreeve is a Business Consultant with over a decades worth of experience in senior management, working with diverse business owners, within numerous industries.

She is passionate about making a positive impact and finding the right options and solutions for businesses, no matter their size, budget and challenges.

Always eager to grow her knowledge, skillset and network, she aims to create advantageous opportunities for businesses, owners and job-seekers. She believes with the right energy, dedication to always learning and ability to build strong relationships, anything is possible.

Values

Transparency is key

An open, honest relationship is developed to ensure all work done is towards your priorities to achieve your goals and produce the results you need to succeed.

Learning is earning

A successful business is always looking to the future and so finding new ways to improve is essential. If Navigate Solutions are learning, our clients are profiting.

Every client is unique

No business or it's owner is the same. We do not provide blanket solutions, we create effective results that are unique to you, your team and your business needs.

ADMINISTRATION SUPPORT

Providing flexible solutions for your administration needs, ensuring your time is better spent on more valuable priorities. Whether project based or weekly tasks, we are here to support with your administration needs no matter how big or small!

Freelance administration support is a flexible and more cost effective solution for you to off-load day to day administration tasks, freeing up your time for those more important responsibilities that are going to take your business to the next level.

Providing a reliable service to fulfil your needs at a time most convenient to you within the budget and capacity that you set.

BUSINESS CONSULTING

Helping business owners and their senior managers to navigate their business challenges with system solutions, operational optimisation and motivational management training!

We will facilitate a de-brief of your business and challenges, resulting in clearly defined area's of focus. From here, we will produce a proposal of works, conduct research, present solutions and work with your team to implement and provide training.

With bespoke solutions, a holistic view, transparency throughout and regular check-ins, you can keep your finger on the pulse and be confident every step of the way.

RECRUITMENT

Providing more affordable and flexible solutions to help businesses grow their teams with the expertise and support they need to take their business from strength to strength!

Usual recruitment companies can be very expensive so we are here to provide you with unique alternatives!

Starting with a full understanding of your needs, a thorough interview and referral check, and recommendations on how to onboard and manage their results, we will only match you with candidates worth your time and be here to help ensure they make a great start!
